

Wild School OF Tampa Bay

Wild School of Tampa Bay Animal & Nature Guidelines

- No killing, hurting, harassing or causing animals to feel threatened.
- No destroying animal's homes, please leave nature as you found it.
- No touching animals that are illegal to touch.
- No harming or killing trees and or plants.
- Handle creatures gently and briefly; leaving animals where you found them.

We at Wild School of Tampa Bay love animals and nature. Exploring and respectfully interacting with nature and animals is essential, we kindly ask that after you have read the disclaimer that everyone attending events show respect and care for the environment and those living in it by following the guidelines above.
